

SmartBuffers™ PROMOTION!

Medicago SmartBuffers™ - JUST ADD WATER

Perfect buffer quality every time

SmartBuffers™ from Medicago makes it easy to prepare biological buffers. SmartBuffers™ come as pre-made tablets or powder pouches in set quantities and convenient packaging. Just add the prescribed amount of de-ionized water, ready to use in less than 5 minutes. Always perfect buffer quality and a smart solution for you and for the environment.

Wide range perfect for many applications

The Medicago SmartBuffers™ product range consists of more than 50 unique buffers including **PBS, PBS-Tween, TBS, TBS-Tween, Tris-EDTA, NaPi, SSPE and HEPES**. The buffers are supplied as pre-made tablets or powder pouches and are available in several different package types and sizes to suit customer needs. Tablets are packed in sealed containers or convenient blister packs while powder comes in sealed aluminium foil pouches.
